

Student Course Selection Process

SCHOOLS PROGRAMS **STUDENTS** PARENTS STAFF BOARD ABOUT US

1. [SCDSB Public Website](http://www.scdsb.on.ca/students)
www.scdsb.on.ca/students
2. Student Portal
3. Option Sheets
4. **PowerSchool Student Sign in**
Username= school login (abcd1230)
Password= Birthdate (YYYYMMDD)
(Pswds were reset, personalize pswd after login)

NOTE: 5 incorrect attempts to login will lock a student's account. Students must go to the school's main office to have their account unlocked

5. Left Navigation MENU

- Grade History **Not**
- Grad Progress
- Attendance History
- School Bulletin
- Course Selection**

After you have logged into PowerSchool (following directions on the left) read the **WELCOME** message from your school

- Open your school's course calendar link for reference
- Open the myBlueprint link to refer to your IPP for graduation
- **Note the Course Selection Close Date.** Students will not be able to make selections after this date without contacting the Guidance Dept. at your school
- Students entering grade 9-11 must make **8 course selections and 2 alternatives**
- Students entering Grade 12's are required to submit **6 courses and 2 alternatives.** Returning 12's need only submit the number of courses required to meet graduation requirements along with 2 alternatives

Okay

1. Starting with the compulsory subjects choose the required courses. Click to open the list of subject courses to choose from. Click and go to the next subject
Prerequisites are HARD STOPS. You will not be able to choose a course without the prerequisite.
Choose the **HELPME** course to discuss your choice with a guidance counsellor!
2. Is a **required field** that must be completed in order to submit your selections. If you are unsure of how to complete a specific area choose a **HELPME** course to get support and work with a counsellor
3. Submit your choices in order to save. Return any time before course selections close to update your selections
